

CCMGA meeting minutes, December 9, 2025

Skip Coulter, President, opened our meeting at 10:36 AM

Birthdays for December: Betsy Smith, Sonja Johnson, Margaret Hoomes, Charla Doucet, Renee Powers and John Higginbotham.

Skip urged everyone to get their hours in. Our hours are what determine if our program is cut or we keep the Master Gardening program.

All members of the Peach Park Tree committee did a great job coming up with ideas to decorate The Master Gardeners tree. The tree is on Facebook but you need to go to The Peach Park and see it in person.

We need another person on our hospitality committee to be the table manager. This is getting the table set up for our meetings and make sure there is coffee and drinks available. Let Skip or Hugh know if you'll take on this responsibility.

If you have country store items for our spring sale bring them to Skip. He can store them at the CREC little house garage for you.

Amy Baker presented Skip Coulter with the Peach Award. This award is selected from nominations from our members.

Skip welcomed our guests. This was also our annual Christmas luncheon and some of the spouses and family members were present. Also our Mayor, Dr. Jeff Price and Mayor pro-tem, Awlahjaday Agee were our special guest.

Sandra's Nursery (Blackwell's) is going out of business and is selling all inventories. The MG Association is buying a pallet of Black Cow potting soil and if anyone is interested in buying a bag for \$5.00 they can.

The minutes were approved as written.

Judy Cobb, treasurer, supplied the financial report for November.
