James Miles

Linda Franzo

Teresa Johnson

“Fall Vegetables with a Twist”

We thought James was such a dynamic speaker at the AMGA conference, we could not wait to have him come and speak. He will give us ideas “with a twist” for a wonderful fall garden.

“Herb Serendipity

We are so excited to have Linda come to speak and demonstrate her love of herbs by catering our special herbal lunch and showing us how to grow, harvest and preserve our own herbs.

“Southern Container Gardens”

Teresa is known for her beautiful and unusual container gardens. She always delights us anytime she presents one of her informative programs. She is a treasure to the TCMG.
